Certification: Certified Professional Coder, 2004
Professional Medical Coding Curriculum, Approved Instructor, 2005
Certified in Healthcare Compliance, 2006
Certified Professional Coder – Hospital, 2008

Career

Experience: HC Healthcare Consulting, LLC (Formerly Hooper Cornell Healthcare, PLLC)
Senior Healthcare Consultant 2003 - Present

Over 11 years of experience in the healthcare field including procedural and diagnosis coding, compliance audits, claims reviews and claims billing, education and training, as well as working with durable medical equipment providers. Experience includes:

Litigation Support: Random non-statistical and statistically valid reviews of claims for government and non-government payors and compliance investigations.

Compliance audits: Analysis of coding and billing documentation based on government and non-government payor guidelines for compliance including relevant education and training related to findings.

Billing Performance Reviews: Comprehensive reviews of professional billing and analysis of key indicators compared to nationally recognized industry standards.

Compliance Plan Review and Implementation: Analysis of existing compliance plans, policies and procedures using government standards and assistance in developing and implementing new compliance plans, policies and procedures.

Durable medical equipment providers: Assist companies in resolve billing matters to ensure accurate and timely payment. Review of medical record documentation to ensure accuracy and in-house audits of client charts to ensure appropriate medical record documentation. Evaluation and processing of Certificates of Medical Necessity to ensure compliance with government requirements.
