Career

Experience: HC Healthcare Consulting, LLC (Formerly Hooper Cornell Healthcare, PLLC)

Partner 1999 - Present

Over 15 years of experience in the healthcare field including litigation support, coding and billing compliance, reimbursement and consulting services. Experience includes:

Documentation & Coding Reviews: Reviews of medical record documentation to support coding and billing of hospital, physician and DME claims. Identify areas of risk and opportunity and provide customized education and training for providers along with coding and billing staff to improve performance and decrease risk.

Litigation Support: Random non-statistical and statistically valid reviews of claims for both government and non-government payers, compliance investigations, self reporting to government agencies, and risk assessments.

Compliance Plan Review and Implementation: Analysis of existing compliance plans, policies and procedures, using published governmental standards. Assistance in the development and implementation of new plans, policies and procedures.

Internal Investigations: Work collaboratively with both internal and external legal counsel to perform analysis in response to potential compliance concerns identified through the provider's compliance processes.

Billing Performance Reviews: Comprehensive reviews of professional billing and analysis of key indicators compared to nationally recognized industry standards.
