***Career  
Experience:*** HC Healthcare Consulting, LLC

Managing Member

Over 30 years of experience in public practice including consulting and litigation support services for health care providers since 1983. Experience includes:

**Health Care:** Healthcare consulting including purchase due diligence, cost reporting, non-statistical and statistical reviews of claims for both government and non-government payors, compliance investigations, revenue cycle analysis, self reporting to government agencies, risk assessments, contractual dispute mediations and arbitrations, and settlement negotiations with Federal and state agencies.

**Interim Director:** Served as the National Director of Audit and Monitoring for a national third-party billing company while a permanent replacement was recruited.

**Business Losses:** Analysis of losses related to contractual disputes, lender liability, insurance loss, and business interruption for a variety of businesses and investors.

**Testimony Experience:** Testified, deposed, or consulted on cases in both Federal and state courts.
